Why ACTION AWE?

- Because we don't want to keep building and deploying weapons of mass destruction in the UK.
- Because we don't want nuclear weapons ever to be used again.
- Because having nuclear weapons doesn't keep us safe or secure, but adds to nuclear dangers and proliferation.
- Because launching Trident would cause devastating humanitarian consequences and be a crime against humanity.
- Because replacing Trident would cost many billions of pounds while our health, education and social services are being cut in the name of 'austerity'.
- Because local communities and public roads in England and Scotland are frequently endangered when nuclear warheads made at Aldermaston and Burghfield (50 miles west of London) are transported to the UK nuclear bases at Coulport and Faslane (40 miles north-west of Glasgow).
- Because international efforts led by countries that have renounced nuclear weapons are already underway to get a global treaty to ban and eliminate nuclear weapons.
- Because recent polls show that a majority of people in Britain oppose the replacement of Trident
- Because the Scottish people have overwhelmingly voted against having Trident based in Scotland.
- Because Britain could make a real difference for world security if we became the first of the 9 nuclear-armed states to stop deploying nuclear weapons.
- Because Britain could gain greater security, influence and prestige if we abandoned plans to replace Trident and joined the majority of nuclear-free countries to start multilateral negotiations on a universal nuclear weapons abolition treaty.
- Because replacing Trident is not legally or morally consistent with Britain's international treaty obligations: for example, in 1968 the UK agreed to legal obligations to pursue nuclear disarmament "in good faith" when we signed the Nuclear Non-Proliferation Treaty (NPT), and in 2010 the British government joined 189 countries in a binding commitment to "undertake concrete disarmament efforts" and "make special efforts to establish the necessary framework to achieve and maintain a world without nuclear weapons".
- Because concerted action by citizens can change the government's determination to replace the UK's Trident nuclear weapons with the next generation of Trident.

Time to Act

There will be a new government by 2016, elected at the next General Election (currently scheduled for early May 2015). As Trident Ploughshares and Faslane365 showed in the run-up to the 2007 Scottish elections, the more we can mobilise citizens to take concerted actions against Trident, the harder it will be for MPs and political parties that wish to spend our money on replacing Trident to get elected.

Replacing Britain's nuclear arsenal is completely unnecessary and would be hugely expensive, at a time of drastic budget cuts to other services, such as health, education, social and disability services, that are vital for people's real security. Britain clings to nuclear weapons as part of an imperialist legacy based on "punching above our weight" internationally.

This mentality means that UK governments spend a higher proportion of public money on military equipment than almost all equivalent governments do. It also means that UK governments are far more likely to resort to military action and wars (as illustrated

recently in Iraq and Afghanistan) instead of investing²² in less violent (and more effective) ways to resolve conflicts, help oppressed people and build peace.

ACTION AWE offers the opportunity to say and do something about these issues, making your own connections through your own autonomous actions and publicity, while linking in with a growing national and international movement. Help Push for an International Treaty to Ban Nuclear Weapons Now If we want our actions to count, there has never been a more important time to shift the British debate and get rid of nuclear weapons once and for all.

Ain't Gonna Let Nobody

*Trad. Civil Rights song, USA,
New Lyrics: Morag Carmichael*

Ain't gonna let nobody turn me 'round,
Turn me round, turn me 'round,
Ain't gonna let nobody turn me 'round
Gonna keep on a walkin', keep on a talkin'
Marchin' up to freedom land.

Ain't gonna let no nuclear weapon makers
Turn me 'round, turn me 'round, turn me 'round,
Ain't gonna let no nuclear weapon makers
Turn me 'round,
Gonna keep on resisting, keep on insisting,
Find a way to peace some day.

Ain't gonna let no bloody war machine
Turn me 'round, turn me 'round, turn me 'round,
Ain't gonna let no bloody war machine
Turn me 'round,
Gonna keep on resisting, keep on insisting,
Find a way to peace some day.

All Around My Spirit

*Words & Music: Kathy Lowe
Arranged by: Caroline Parrott*

I will rock my heart 'till the walls come down, (x3)
All around, all around my spirit,
All around all around my spirit.

I will work for peace 'till the walls come down, (x3)
All around, all around my spirit,
All around all around my spirit.

I will speak my truth 'till the walls come down, (x3)
All around, all around my spirit,
All around all around my spirit.

I will sing my song 'till the walls come down, (x3)
All around, all around my spirit,
All around all around my spirit.

Bella Ciao

Trad. Italian Partisan song
New Lyrics: Norita Asquith

Oh we are singing for the environment,
Oh bella ciao, bella ciao, ciao, ciao,
We are singing for the environment,
An end to nuclear waste right now.

We don't need Trident, it's wasting billions,
Oh bella ciao, bella ciao, ciao, ciao,
We don't need Trident, it's wasting billions,
We need health and social care.

Don't need nuclear power, it's wasting billions,
Oh bella ciao, bella ciao, ciao, ciao,
Don't need nuclear power, it's wasting billions,
We need health and social care.

ACTION AWE: Basic Mission

ACTION AWE is a UK-based grassroots peace campaign to eradicate nuclear weapons by:

- taking nonviolent direct action to halt nuclear war-head production by the Atomic Weapons Establishment at Aldermaston and Burghfield, and
- undertaking education and outreach to raise awareness of the humanitarian, health and security consequences of nuclear weapons.

ACTION AWE links local and international campaigns for real security, environmental sustainability, economic justice and global peace, through mobilising concerted action against the deployment and renewal of Trident. The campaign aims to build public and parliamentary pressure for Britain to disarm and join other countries in negotiating a global treaty to ban nuclear weapons.

Ban The Weapons

Words: Lisa Rigby
Tune: Sing Hosanna

Keep the joy in your heart, keep on singing
I believe we will see the day
When our children don't see razor wire
When the submarines have gone away

Chorus:

**Ban the weapons, ban the weapons,
Ban the weapons from the waterside
Ban the weapons, ban the weapons
Ban the weapons from the sea.**

We will walk in the fields and the meadows,
And we'll swim in the waters blue,
We will dig in the earth all together,
For one day we'll see our dream come true

(Chorus)

When The Submarines

Are Gone

Penny Stone

A. tune: Oh when the saints

We'll bin the bomb, we'll bin the bomb,
We'll bin the bomb, we'll bin the bomb,
I want to see my children grow old,
We'll bin the bomb, we'll bin the bomb.

B. tune: Swing low, sweet chariot

No bombs, no submarines
Coming forth to threaten my lands. (x2)

C. tune: Im gonna sing

Bin the bomb, bomb, bomb, bomb,
Bin the bomb, bomb, bomb, bomb,
Bin the bomb, ban the bomb, Trident out.
When the submarines are gone,
I'll stop singing you this song.
Bin the bomb, ban the bomb, Trident out.

'Aye, but Ah wull sit here!'

'Twas chief Inspector Runcie, enhancing his career,
Prancing up an' doon the road like Yogi Bear.

He caa'd for help tae Glesca, they nearly chowed his ear:
We've got the Gers and Celtic demonstrators here.

He telephoned the sodgers, but didnae mak it clear.
The sodgers sent doon Andy Stewart tae volunteer.

20
He radioed the White Hoose, but a' that he could hear
Wis twa...wan...zero – an' the set went queer.

For Jack had drapt an H-bomb an' gied his-sel a shroud,
An' met wi' Billy Graham on a wee white cloud.

Protesters in Canoes try to prevent the arrival of Nuclear Weapons to the Holy Loch on the west coast of Scotland, 1961

Bin the bomb, bin the bomb, bin the bomb

We say bin the bomb, bin the bomb, bin the bomb.

We sing of love, we sing of peace

Leon Rosselson

Bury Trident

Chorus:

Trident, Trident, Money down the drain,
It can kill all living creatures -

And then kill them all again,

It's time we got together

And it's time we made a fuss,

So that we can bury Trident, before it buries us.

Who're you trying to target, who're you trying to kill?
Who are you deterring? Tell us if you will

Does it make you feel like Tarzan?

Do you get a manly thrill?

While we poor bloody suckers are picking up the bill.

(Chorus)

Cameroon's our leader, a fellow you can trust

He's got his finger on the button

And he'll press it if he must

Then the enemy will do the same,

And we'll all have to adjust

To being tiny particles of patriotic dust.

And we will all bake together when we bake.

There'll be nobody present at the wake.

With complete participation

In that grand incineration,

Nearly seven billion hunks of well-done meat.

Oh we will all chat together when we chat.

And let there be no moaning at the bar.

Just sing out a re deum

When you see that i.c.b.m.,

And the party will be "come as you are."

Oh we will all burn together when we burn.

There'll be no need to stand and wait your turn.

When it's time for the fallout

And saint peter calls us all out,

We'll just drop our agendas and adjourn.

Oh we will all go together when we go.

What a comforting fact that is to know.

When the air becomes uranious,

And we will all go simultaneous.

Yes we all will go together, when we all go,

Yes we all will go together when we go.

(Chorus)

We're against proliferation. Everything you do
Is an open invitation, to join the nuclear queue
There's Israel and India and Pakistan too
Soon everyone will want to have as big a bomb as you.

(Chorus)

But our leaders bomb humanely,

So that makes things OK

There's compassion for the elderly, "Poor old Pinochet"
Our schools are all above average,

The "old boy" networks new

And the NHS is fit, so long as no-one has the flu!

(Chorus x2)

We Shall Not

Give Up The Fight

Origin: South African Freedom Song

We shall not give up the fight we have only started,
We have only started, we have only started, (x2)

Together we'll have victory hand holding hand,
hand holding hand, hand holding hand. (x2)

Never ever put to flight, we're bound to win

We're bound to win, we're bound to win. (x2)

We shall not give up the fight we have only started,
We have only started, we have only started. (x2)

We Like The Flowers

Tune: Trad. English

Words: Sourced from the Nuclear Power: No Thanks
campaigners at Torness, 1989

We like the flowers, we like the vegetables,
We hate reactors, and Trident missiles.
We want to live in a nuclear-free society,
With no plutonium, no plutonium,
No plutonium, no plutonium,
No plutonium, no plutonium,
No plutonium, no!

We like the cows, we like the sheep and hens
We hate the bomb, Why can't we all be friends?
We want to live in a nuclear-free society,
With no plutonium...

We like the earth, we like the human race,
We like the smile on every baby's face
We want to live in a nuclear-free society
With no plutonium...

Deep Blue Sea

Tune: American trad., source: Pete Seeger/Odetta

Deep blue sea baby, deep blue sea (x3)
We want peace in all the lands,
And o'er the deep blue sea.

Sleep my child, you are safe and sound (x3)
We want peace in all the lands,
And o'er the deep blue sea.

Still today war clouds hang so low (x3)
We want peace in all the lands,
And o'er the deep blue sea.

Love of life's gonna turn the tide (x3)
We want peace in all the lands,
And o'er the deep blue sea.

We All Will Go Together When We Go

18

Tom Lehrer

We will all go together when we go.
What a comforting fact that is to know.
Universal bereavement,
An inspiring achievement,
Yes, we all will go together when we go.

We will all go together when we go.
All suffuse with an incandescent glow.
No one will have the endurance
To collect on his insurance,
Lloyd's of London will be loaded when we go.

Oh we will all fry together when we fry.
We'll be french fried potatoes by and by.
There will be no more misery
When the world is our rotisserie,
Yes, we will all fry together when we fry.

Don't Mess With NATO

Tune & lyrics: Johnny Mercer & Harold Arlen
Adapted Lyrics: Penny Stone

You've got to accentuate the positive,
Eliminate the negative, Latch on to the affirmative,
But don't mess with NATO or they'll kill you!

You've got to spread joy up to the maximum,
Bring gloom down to the minimum,
Have faith or pandemonium,
But don't mess with NATO or they'll kill you!

To illustrate this last remark:
Yugoslavia, Afghanistan, Iraq -
Well what did they do
Just when everything looked so dark?

Man, they said we better accentuate the positive,
Eliminate the negative, Latch on to the affirmative
But don't mess with NATO or they'll kill you!
No - don't mess with NATO or they'll kill you!

Gentle Angry People

We are a gentle angry people,
And we are singing, singing for our lives.
We are a gentle angry people,
And we are singing, singing for our lives.

We are young and old together...

We are gay and straight together...

We are a justice seeking people...

We are a land of many colours...

We are an anti-nuclear people...

We are a gentle angry people...

Foolish Notion

Why do we kill people who are killing people

to show that killing people is wrong,

What a foolish notion that war is called devotion,

When the greatest warriors

Are the ones who stand for peace.

Chorus:

War toys are growing stronger,

The problems stay the same.

The young ones join the army

While general 'what's his name'

Is feeling full of pride that the army will provide

But does he ask himself

(Chorus)

Death row is growing longer,

The problems stay the same,

The poor ones get thrown in prison while warden

'what's his name' is feeling justified,

But when will he be tried for never asking.

We're Not Going Away

Jane Lewis, for Faslane Peacemaps 30th birthday

Chorus:

We're not going away,

We'll be here for as long as it takes,

We're not going away,

We'll be here for as long as it takes.

(Bass)

Trident, oh trident has got to go

Yes, trident, has got to go - we'll stay here,

Trident, oh trident has got to go

Yes, trident, has got to go.

1. In '82 the campers came,

Bearing witness at Faslane,

Sitting in the Gareloch rain

Day upon day

2. Living in community,

Vegan stew and cups of tea,

No leaders here - we're breaking free!

Day upon day

3. Punks and hippies, all the gang

Standing up against what's wrong

Living an alternative

Day upon day

4. One frosty Christmas Eve,

Malicious mischief up our sleeves,

There's Santa on a submarine!

Day upon day

5. Peace boats dodging submarines,

Made it to the TV screens,

'No Pasaran' - you're stopping here!

Day upon day

6. Rainbows arching o'er the loch,

Rainbow actions round-the-clock,

The multicoloured arms of peace,

Day upon day

7. Protests grow throughout the land

at Aldermaston now we stand

we're staying here until it's banned

Day upon day

The War Machine

Words and music: Sue Gilmurray

In eastern skies the great hawks fly
Over bloodied hills where children die
And the instruments of tyranny
Were bought from Britain plc
As the war machine goes round.

Chorus:

**And the war machine rolls round and round,
And the poor and the weak
Get trampled on the ground,
And from where we stand their cries are drowned,
By the clink of the franc
And the dollar and the pound,
As the war machine rolls round.**

And the prisoner sleeping where he fell
Will awake to one more day of hell
From a US baton's searing pain
His body bound by a Sheffield chain
As the war machine rolls round.

We've an industry that lives and thrives
Making tools to shatter human lives
And our honest workers ply their skill
Helping distant tyrants maim and kill
As the war machine goes round.

It is time my friends for us to say
We will not sell death to earn our pay
It is time for arms exports to cease
For the world can never live in peace
While the war machine rolls round.

Vine And Fig Tree

Origin: Isaiah 2:4, Micah 4:3

English words: Leah M Jaffe & Fran Minkoff round;

And everyone one 'neath their vine and fig tree
Shall live in peace and unafraid. (x2)
Into ploughshares beat their swords,
Nations shall make war no more. (x2)

Going Up In Smokey

Tune: The Hokey-Cokey
New Lyrics: Ewan McVicar

It takes your left leg off
It takes your right leg off
Your eyes fall out and the dust makes you cough
You feel the radiation turn you inside out
That's what the bomb's about

Chorus:

**Oh, going up in smokey,
Oh, going up in smokey,
Oh, going up in smokey, That's what the bomb's
about KICK IT OUT!**

It knocks your house down
It knocks my house down
It knocks the whole town down and fifty miles around
Then you get the fever from the old fall out
That's what the bomb's about.

(Chorus)

Hiroshima Song

Written By a survivor of the Bombing of Hiroshima

Ko-do-mo ta-chi-ni
Tsuta-eh-yo-o
A-i-o, Iki-ru, Chi-e-o

Soshi-te a-no-hi-no
Hiroshima to, Nagasaki no
De-ki go-to-oh

Translation: Let's tell our children about love, wisdom to survive, and what happened in Hiroshima and Nagasaki on those very days.

No More War

Camilla Cancantata

No more, no more, no more war, no more,
No more, no more war, no war, no more,
No more, no more war, no war no more.
We dissent, we dissent, we dissent,
From the violence and hate of the military state.

Tell the leaders of the nations
 Make the whole wide world take heed
 Poison from the radiations
 Strikes at every race and creed
 Must you put mankind in danger
 Murder folk in distant lands?
 Will you bring death to a stranger
 Have his blood upon your hands?

Shall we lay the world in ruin?
 Only you can make the choice
 Stop and think of what you're doing
 Join the march and raise your voice
 Time is short; we must be speedy
 We can see the hungry filled
 House the homeless, help the needy
 Shall we blast, or shall we build?

H-Bomb's Thunder

Words: John Brunner
 Tune: A Miners Lifeguard

Don't you hear the H-bomb's thunder
 Echo like the crack of doom?
 While they rend the skies asunder
 Fall-out makes the earth a tomb
 Do you want your homes to tumble
 Rise in smoke towards the sky?
 Will you let your cities crumble
 Will you see your children die?

Chorus:
*Men and women, stand together
 Do not heed the men of war
 Make your minds up now or never
 Ban the bomb for evermore*

Trident, Trident

Tune: 'Daisy, Daisy',
 Origin: Rip Bulkeley, extra verses RV. Arr. Andrew Peggie.

Pensions, pensions, we must make a special plea
 Why should old folk suffer in poverty
 Paid for by taxation but
 Eroded by inflation
 And the government
 Think armaments
 Are a higher priority

Trident, Trident, the whole thing has gone too far
 If we don't stop them we're sure of a nuclear war
 We have to send them packing
 Before they start attacking
 And pull the chain
 On all who gain
 From the criminal arms bazaar.

Trident, Trident give us a break please do
 We'll go bankrupt all for the price of you
 We'll lose even more employment
 And most of life's enjoyment
 You're a travesty
 Of 'security'
 And no-one will cry for you.

Do-da-de etc.

Trident, Trident what an insane idea
 Thousands homeless all for the cost of fear
 We can't afford medication
 Or proper education
 But we must pay a million a day
 So that Britain can disappear.

Health cuts, health cuts - nursing a luxury
 Balanced budgets obscure the priority
 The Chancellor is stealthy
 He dare not tax the wealthy
 But our taxes pay
 Without our say
 For unusable weaponry.

Stand Firm

*Cameroon; collected and arranged
by members of the Iona Community*

Stand, oh stand firm,
Stand, oh stand firm
Stand, oh stand firm,
And see what we all can do

Call:

Oh my sisters, stand very firm...
Oh my brothers, stand very firm...
All you protestors, stand very firm...
All you peace workers, stand very firm...
(*ad lib*)

Stand Up

Women of Greenham Common

Stand up, men and women, make your choice
Create a world without nuclear death
Now together we are strong
Break the Nuclear chain.

Human Rights Round

Camilla Cancantata

We are the human family, we all have equal rights;
The right to life and liberty
And true security.
The will of the people must direct the government

I Will Not Fight

Ali Burns, written for International Women's Day, 1993

I will not fight with you any more,
For the road is long and hard,
And I need all my strength,
Yes I need all my strength,
Yes I need all my strength to keep on walking

Descant:

Sister I will not fight,
The road is long and hard,
I need my strength,
I need my strength to keep walking.

Study War No More

*Trad. Civil Rights song, USA,
New Lyrics: Morag Carmiacal*

Gonna lay down my sword and shield,
Down by the Clydeside,
Down by the Clydeside,
Down by the Clydeside,

I ain't gonna study war no more, (x6)

Gonna disarm those atom bombs,
Here, there and everywhere (x3)
I ain't gonna study war no more...

Gonna sit down and block the base,
Down by the factory (x3)
I ain't gonna study war no more...

Gonna hold hands around the world,
Reach out to everyone (x3)
I ain't gonna study war no more...

The Only Thing To Save Us

*Words: Lisa Rigby
Tune: We Plough the Fields and Scatter*

It ploughs the waves and scatters
Its bad seed o'er the land,
Life-threatening nuclear matter is very close at hand;
Its purpose to blow people way up to skies above,
The only thing, the only thing
To save us will be love.

Chorus:

***All good things around us blown up to heaven above,
The only thing, the only thing to save us will be love.***

The science of nuclear fission
They then apply to war,
It seems that human beings learn nothing from before;
The song of Hiroshima has told us what's in store,
Unless we sing, unless we sing
As one to say "No More!"

(Chorus)

Not in My Name

Mal Finch, Lyrics adapted by John Hamilton

We can see the forces gathering like so many times before,
 "Working for Peace," they say; preparing for war,
 They are claiming to be standing for democracy,
 But their voices would be silenced
 If democracy could speak...

Chorus:

You're not doing it in my name!

You're not doing it in my name! (8 times altogether)

Make no mistake this outrage is a deed to be condemned,
 But for people seeking liberty the U.S.A.'s no friend.
 Well, remember South East Asia,
 Palestine and East Timor:
 If liberty could speak, I tell you liberty would roar:

(Chorus)

(Chorus)

Arms dealers make their fortunes
 on the backs of those who die
 While leaders without vision prepare for genocide
 To those who claim to represent me, I can smell hypocrisy
 I don't give my permission, no, you cannot speak for me.

(Chorus)

Politicians from their pedestals will talk of bravery,
 For "noble" and "heroic" read "self-interest" and "greed",
 We're the champions of order; of that there is no doubt
 But if human rights could speak,
 I tell you human rights would shout:

(Chorus)

They shout about the terrorists and seek to pin the blame,
 On a fundamentalist bigot funded by the CIA,
 And as night falls back in Gaza - another twenty die,
 If humanity could speak, well, humanity would cry:
