

# Oh How We Love the NHS!

*Penny Stone, January 2020*

Oh how we love the NHS,  
We love the workers who do their best,  
Under difficult circumstances getting harder every day,  
Unnecessary cuts to services no matter what we say,  
Oh how we love, the NHS!

Oh how we love the NHS,  
We love the workers who do their best,  
Even though the politicians make decisions all the time,  
Without listening to the people screaming “lives are on the line,”  
Oh how we love, the NHS!

Oh how we love the NHS,  
We love the workers who do their best,  
Under difficult circumstances getting harder every day,  
Unnecessary cuts to services no matter what we say,  
Oh how we love, the NHS!
