

Nu Er Det Jul Igen

(Now it's Christmas time)

*Traditional Norwegian, Danish and Swedish Christmas song,
sung whilst holding hands and dancing round the christmas tree.*

Nu er* det jul igen,
og nu er det jul igen,
og julen varer li' til påske. (x2)

Nej det' ikke sandt,
nej det' ikke sandt,
for ind imellem kommer fasten. (x2)

Translation:

*Now it's Christmas time, and now it's Christmas time,
and holidays will last 'til Easter.*

No, it is not true, No, it is not true, for in between is Lent.

**Note – in Danish and Norwegian, the first line is spelt “Nu er det jul igen”, and in Swedish “Nu är det jul igen”. And sometimes the Danish version omits the ‘er’ altogether.*
